Re Docket No. 04-00434 – Wastewater Forum

Dear Ms. Standley:

Montgomery County does not require any type of bond to be in place before a wastewater utility can construct or operate outside the city limits of Clarksville. However, I am interested in knowing if there are other counties in Tennessee that require such a bond, and if so, can you supply me with the details.

Thank you for your assistance.

Sincerely,

Douglas Weiland
